Anti-Radiation Mobile Chip

Protects Your Brain from Harmful Radiation
 The persistent use of mobile phones has given rise to common complaints of memory loss, headache, dizziness, nausea and impaired vision. But most people, even many medical practitioners aren't aware of the cause. Recent research has demonstrated that prolonged exposure to radiation can even cause brain tumour and cancer. Anti-Radiation Mobile Chip protects your brain and ear tissues from harmful Radiation.

CERTIFICATION: Shielding material has been certified by LIRIS (Laboratoire d'Informatique en Image et systèmes d'information) of France and SAMEER (Society for Applied Microwave Electronics Engineering and Research).

COMPONENTS: The metal mesh with radiation coated material sandwiched with Anti-Radiation fabric made up of silver & other metal alloys.

MRP: Inclusive of all taxes

Batch No: 0208

Product Code No: 01A
